BASE: All Respondents (n=801)

Q5 Do you agree or disagree with the following statement: The electricity market in Ohio should be based on the marketplace, and not on particular corporations the government decides to grant money to.

Voters Oppose Legislation Allowing FirstEnergy To Charge A Special Fee To Fund Its Nuclear Plants

As you may know, a corporation named FirstEnergy is pushing a proposal in the Ohio legislature that would charge its Ohio customers with a special fee to increase funding to FirstEnergy’s nuclear plants in the state. This special fee would be charged on top of what its Ohio customers already pay on their electric bill. Would you support or oppose this proposal?

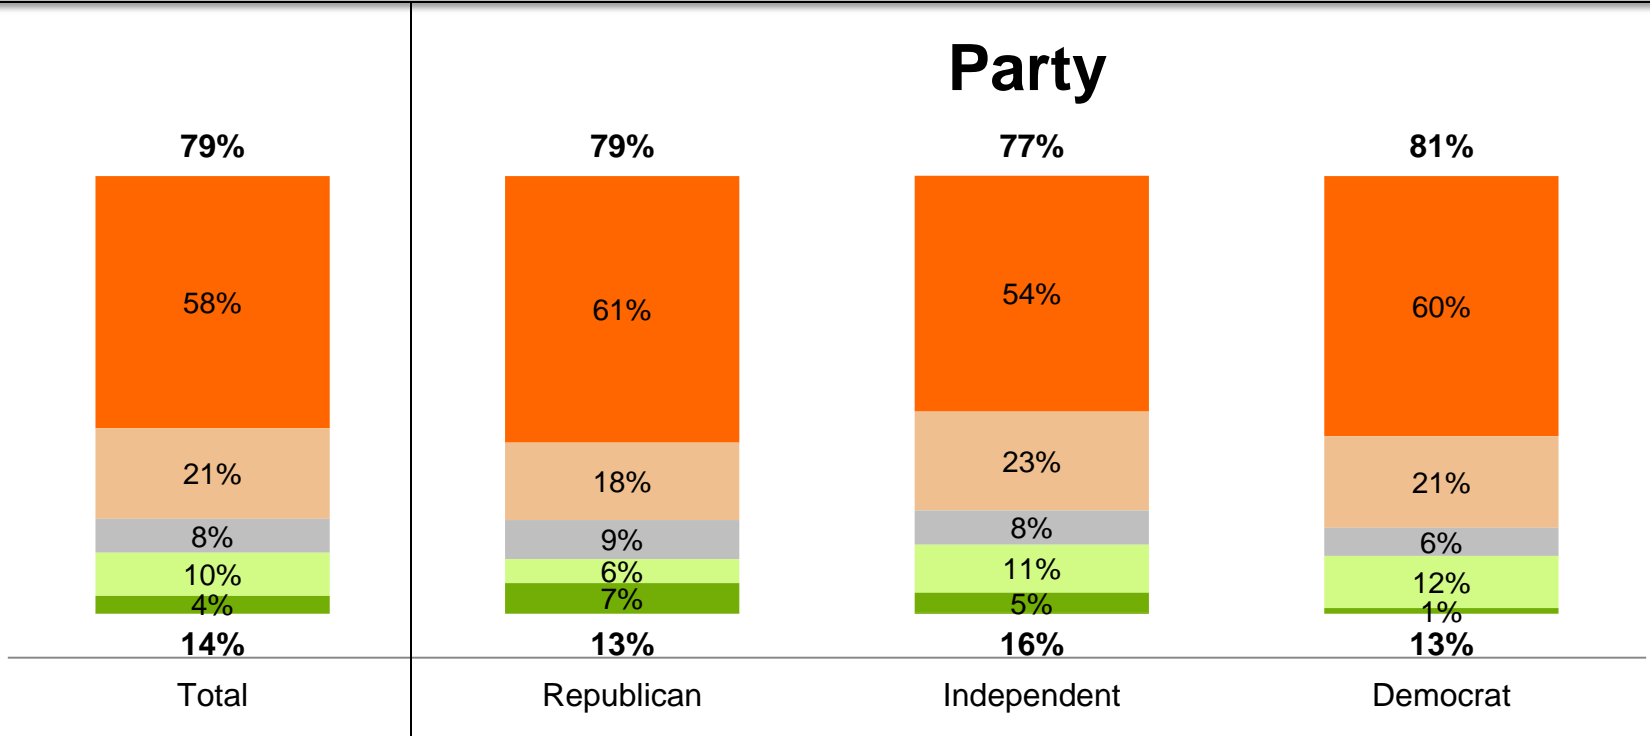

BASE: All Respondents (n=801)

Q6 As you may know, a corporation named FirstEnergy is pushing a proposal in the Ohio legislature that would charge its Ohio customers with a special fee to increase funding to FirstEnergy’s nuclear plants in the state. This special fee would be charged on top of what its Ohio customers already pay on their electric bill. Would you support or oppose this proposal?
